To the Class of 1988

Dear Graduates,

"Change comes at an ending and brings forth a new beginning."

So many things are ending: your high school days, your childhood, your place within a structured pattern that has lent order to your daily life. And so many are beginning: college, careers, new friendships, new patterns. New ways of life will come.

As these changes take place, it is good to reflect for a brief time on what they will mean in your lives. First of all, they mean that you have completed with success a demanding program of education. You have persevered and done well. Secondly, they mean that you will begin to build on that success and develop further into citizens capable of assuming responsibility for themselves and also for others. You will begin to contribute to the society that has nurtured you by participating in its economic life.

As you reflect on your time here at Bergtraum, keep in mind the many people who have helped you, officially and unofficially, to get where you are. Give thanks to them: to your teachers, mentors and business associates. In the spirit in which they gave to you, give to those behind you: be ready to reach out, to advise, to instruct those who come after you at Bergtraum and to guide them along the way as you have been guided. Keep in mind that civilization calls for cooperation; the very essence of successful living is basking in the light of shared effort and shared joy. Do not be afraid to give in all ways to those who come after you.

Like the phoenix, a new life rises on the ashes of the old. As you greet your new life, as you move from end to beginning, keep with you the lessons learned here at Bergtraum, lessons that taught you the dignity of work and the worth of dignity.

Our blessings go with you —

Sincerely,

Barbara L. Christen

SENIOR COUNCIL

The Senior Council is on a mission to bring about change. The purpose of the Senior Council is to establish policy and organize the activities for the senior year. The representatives meet at least once a week, collaborate on various ideas and establish committees putting these ideas into action. Activities such as senior prom, trips, senior day, the blood drive, and various fundraisers are the result. Without them our senior year could not be as special. The graduates of 1988 thank the Senior Officers, Senior Representatives and most of all Ms. Barbara Esmilla, for their hard work.

STUDENT ORGANIZATION

The Student Organization is one of the most important in our school. It maintains and fosters clubs, teams and activities which are already in existence such as the drama club, basketball team and the talent show. It also sponsors trips and fundraising activities such as the day trip to the Amish Country in Pennsylvania as well as the Valentine's Day Flower sale. The SO's important source of communication is its representatives. These representatives make sure that information gets to the official classes correctly and efficiently. Dear Seniors;

TO DO
IS A DIFFERENT VERB FROM
TO BE TO THINK TO FEEL
TO BELIEVE TO UNDERSTAND
TO HOPE

LANGSTON HUGHES said:
HOLD FAST TO DREAMS
FOR WHEN DREAMS GO
LIFE IS A BARREN FIELD
FROZEN WITH SNOW

Be involved in your own life, in your
community. Be doers but hold fast to
dreams for it is our dreams which make
life exciting. It is our imagination
which sets us apart from other living
creatures.

It is our determination and
perseverance which turns our dreams
into realities.

Dream and do and know that I join the
faculty of Bergtraum in wishing you a
world filled with love and fulfillment. I
enjoyed being part of your Senior year.

Cordially,

Eileen Petruzillo

Lester Zimmerman, advisor, teacher, Assistant Principal and still so much more. Mr. Zimmerman has been friend and helper to the students of Murry Bergtraum for 11 years. Rushing through the halls in a lightning quick stride, stopping and scolding a student for loitering and the next day helping him solve a problem, Lester Zimmerman is a great and caring man who means a great deal to the school, but even more to the students. He has dedicated 20 years to the educational system, and we the students of Murry Bergtraum High School are grateful he did. It has given us the opportunity to meet a man who never gives up, and has instilled in us that same determination to succeed.

We will miss you Lester Zimmerman, more than you will ever know. Although you are retiring, in our memories and in the lessons you have taught us, you shall forever linger on.

Bergtraum's very own mild-mannered physics teacher, Mr. Howard Schott, searches for the formula for everlasting youth, which has eluded science for centuries. Leaving no stone unturned, he even scrutinizes student homework!!

Convinced he has finally arrived at the REAL formula, Mr. Schott carefully mixes the chemicals.

Anticipation rises, as the chemicals react with each other.

Throwing all caution to the wind, defying scientific method, and ravenous for his morning coffee, Mr. Schott courageously offers himself as the experimental guinea pig.

It's a tough job, but someone's got to do it.

Oops, back to the drawing board . . .

ACADEMIC OLYMPICS

For a taste of mental gymnastics, it's Bergtraum's ACADEMIC OLYMPIC Team. Coached by Ms. Leida Rosenberg, the team presently holds a respectable record. Meeting twice weekly for academic workouts in February and March, our team competes with other city high schools matching knowledge and wits and having a great time.

NATIONAL HONOR SOCIETY

Merit, scholarship, leadership and character. The NATIONAL HONOR SOCIETY stands for these qualities and strives for them.

Always cooking up something, the society held a bake sale on parent-teacher night which helped fund the "Alumni Homecoming." They are also involved in activities outside of the school, such as joining in the March of Dimes Walkathon.

The 'Hive' Wants To Know

Student Of The Month

Only For Senior Citizens

The school paper was often a cause of action and reaction. It raised controversial questions that sometimes got answers.

The B-Hive discussed issues that were on everyone's mind. It tried to represent the students' point of view.

The ladies in Bergtraum will continue to wear hats when they choose, there is now privacy in the students' bathrooms, and other changes were made through the paper.

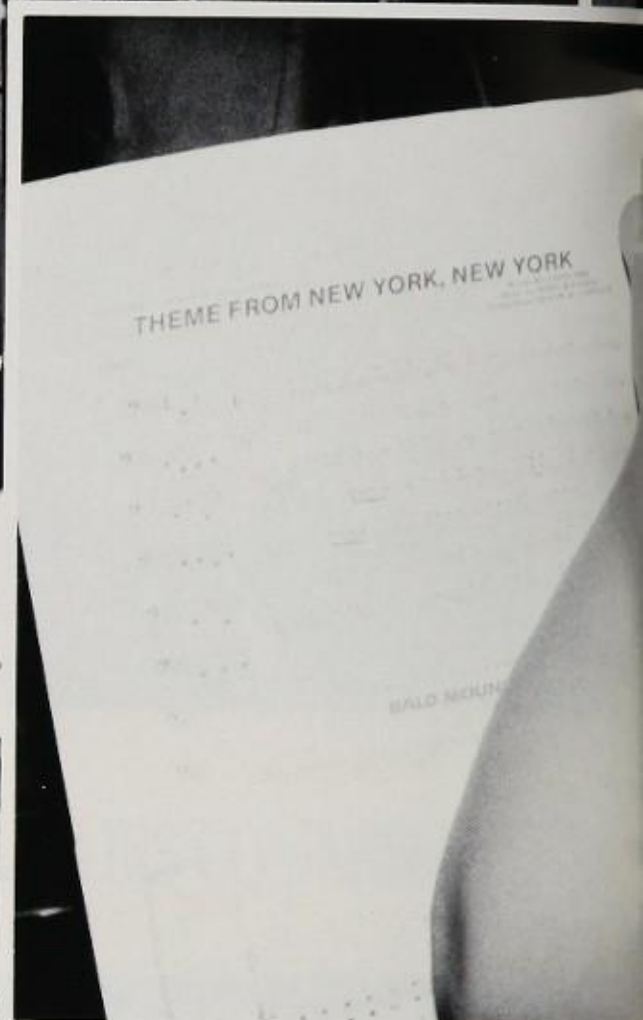

This B-Hive staff did their best and showed that the students have a voice and that it can be a powerful one.

BAND

The BAND has been a part of Murry Bergtraum High School for many years under the direction of Mr. Joseph Negri.

It meets five times a week and its purpose is to bring musical enjoyment to those who hear it. The band has become the official band for City Hall assemblies. Our band also performed for the senior citizens at Saint Margaret's House at the South Street Seaport. The Bergtraum Band recently merged with other students to form Bergtraum's first MARCHING BAND!! Under the coordinator efforts of Ms. Judy Mark and Mr. Negri, the marching band represents all grades and many talents; including pom-pom dancers, twirlers, flag bearers and of course, a majorette. This new band wants to build school spirit.

What happens to a dream deferred?
 Does it dry up
 Like a raisin in the sun?
 Or fester like a sore —
 And then run?
 Does it stink like rotten meat?
 Or crust and sugar over —
 Like a syrupy sweet?
 Maybe it just sags
 Like a heavy load.
 Or does it explode?

SHAKESPEARE RECITATION COMPETITION

The New York City Recitation Competition for high school students was held at Bergtraum on Thursday, March 24, 1988. Over 500 students from close to 70 participating schools in New York's 5 boroughs competed in the preliminary stages of the program. New York actors Sam Waterston and Moses Gunn, actresses Elizabeth McGovern and Lily Lodge, and scholar-publisher Robert Giroux judged the 5 borough champions for the citywide title. The city champion, Dana Surena, won \$1,000 and advancement to the National Shakespeare Recitation Competition in Cleveland, Ohio. The New York City Shakespeare Recitation Competition was sponsored by the Reed Foundation. Bergtraum sends our congratulations to Dana Surena. We wish her luck in Cleveland.

Girls' Varsity Volleyball

The Girls' Varsity Volleyball team completed a most successful season. They captured the Manhattan Division. The girls for the second straight year made it to the city playoffs and finished 3rd. Their hard-work, loyalty and dedication gave the 1987-1988 varsity team a most unforgettable season. Thanks to seniors Jenny Chan, Katiana Guzman, Monica Fernandez, Lashonda Blassingame, Susan Abelleira and Yau Lee for their endless hours of time effort and dedication. We accomplished our goal: **#1 Manhattan Division.**

BOYS' BOWLING

Bergtraums Boys' Bowling Team, coached by Mr. Fred Hakim, is a team full of pride and effort. They finished the season with an equal number of wins and losses. The team's split season shows that the Bergtraum boys can bowl a good season with strikes to spare.

GIRLS' BOWLING

The bowling team rolled off to a great season. They are involved in a league that consists of Manhattan teams. Their season record is 10-2. They are Division champs for the second year in a row. With Mr. Cohen's expert coaching, this year was a success.

Future plans for the bowling team are to continue having fun, be a successful team, and to go further in the playoffs. Anyone can join, freshmen, sophomores, juniors, and seniors. The bowling team meets a few weeks before the season begins, gets in a few practices, and is ready to start off the season with striking success.

October is the season for Soccer. Mr. Spielvogel, the coach, has done a terrific job in training the team, which now is in its second consecutive year. The captains, Sammy Daniele, Jason Morales, and Hector Nieves have shown themselves to be fine players.

When the team played citywide against La Guardia High School, Sammy Daniele and Jason Morales contributed to the win by blocking several penalty kicks.

When asked their opinions on the formation of a girl's Soccer team, their response was a mutual, excited, "Yes."

Thanks for a wonderful year and may you succeed in your future goals!

CHEERLEADERS

With a wave of their pom-poms and a stomp of their feet, the CHEERLEADERS are out to raise your spirits. Coached by Ms. Betsy Escobar, the girls perform stunts and cheers during Basketball Games, and make sure you have a good time, whether the team wins or not!

BOYS' BASKETBALL

This season the Boys' Varsity Basketball team finished 4-18 overall, (2-10 league, 2-8 non-league). Their record is very deceiving. They played good competitive basketball but weren't cohesive enough as a team to accumulate more wins. My first year coaching boys basketball in the P.S.A.L. has been a learning experience that has enhanced my knowledge of the game. This will help me establish a winning program by re-evaluating and correcting my errors. The highlights of the season were the Park West and Norman Thomas games at Murry Bergtraum.

GIRLS' SOFTBALL

The Girls' Softball Team is like one big family. Although we have our differences, we've always stood together. Mr. Jack E. Cohen is more than a coach. OVER THE RIVER AND . . .

Through thick traffic, thicker woods and barren countryside, did our Seniors struggle to arrive!! Where? PINEGROVE Dude Ranch! For 3 days and 2 nights, the Seniors forgot about classes and classrooms as they spent their days horseback riding, skiing, snowmobiling, swimming, and making new friends. The nights were spent dancing the night away in the disco, or even playing some touch football in an open field. Yet the best was saved for last: a Toga contest, and a "Who's that Girl?" competition that made the Seniors' last night out, one to remember!

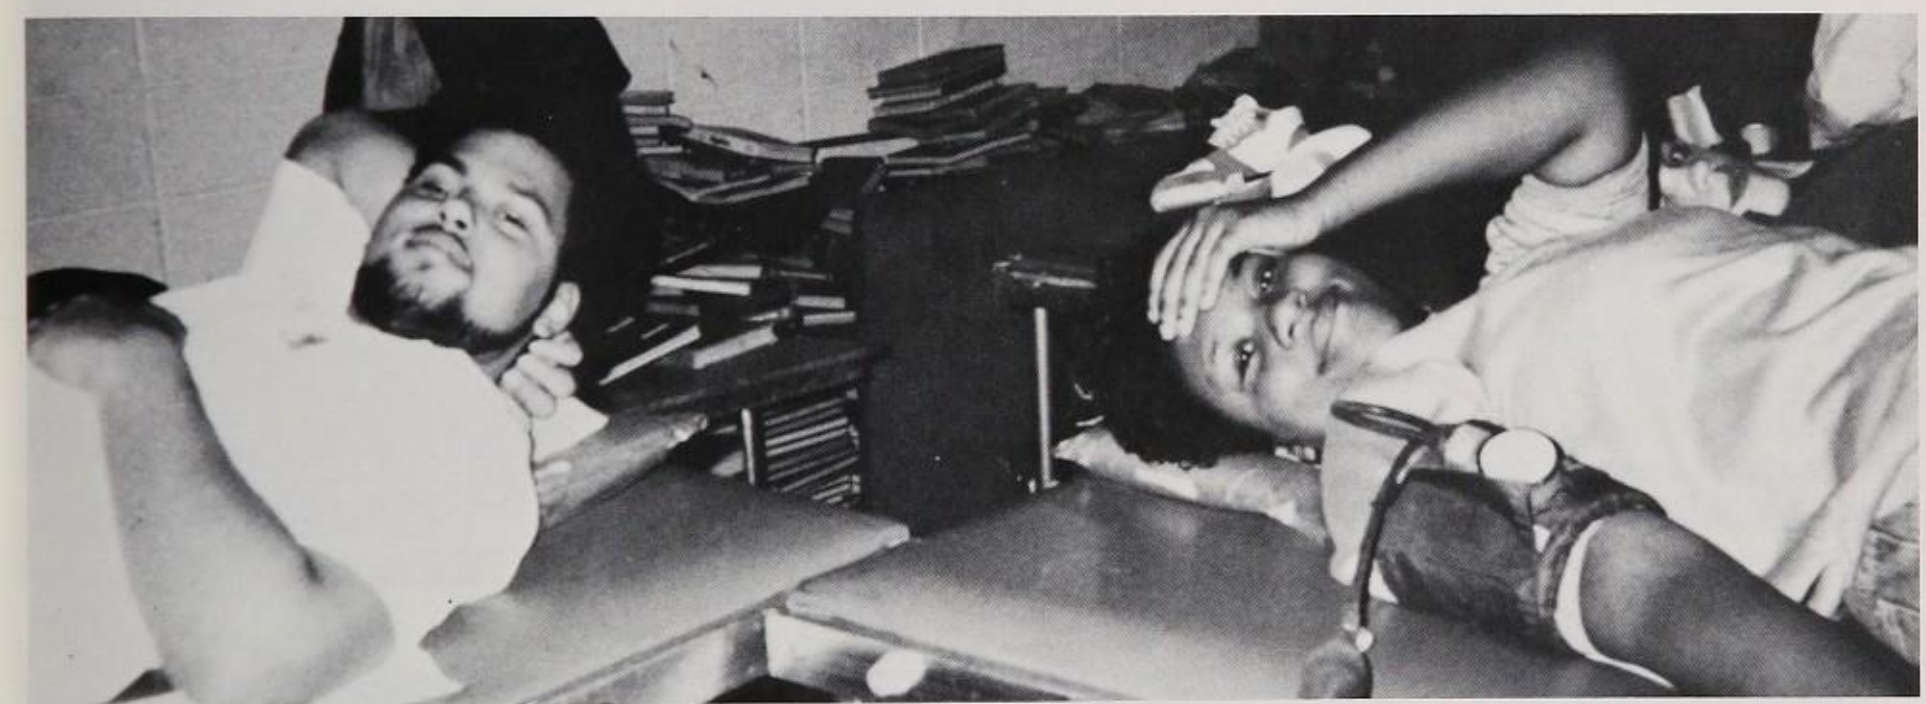

One dark January night, the STARS came out in our annual TALENT SHOW! Under the direction of Ms. Phyllis Friedenbergr, these stars not only twinkled, but they danced, sang, rapped and even modeled for our enjoyment. They brought light and laughter into our lives, and in return, these "stars" which looked strangely like Bergtraum students, shone even brighter.

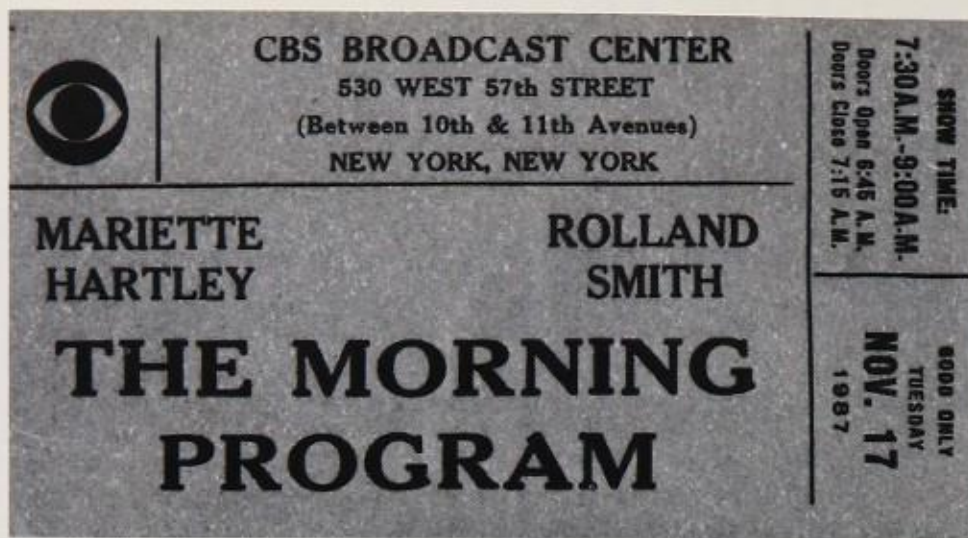

Blood Drive: It takes all types!!

Paging Count Dracula!!
Over 50 students and faculty participated in Bergtraum's annual Blood Drive on January 12, 1988. All kidding aside, donating blood to give someone else a chance at life is something we all respect. Thanks everyone! Remember, Blood is Life — Pass it on.

The Senior Council took time away from their busy schedules to visit the set of "The Morning Program" on November 17, 1987. The show was hosted by Rolland Smith, Sandy Hill and Mark McEwen. Visiting the set of the show were students John Hamilton, Marisol Zapatero, Christopher Torres, Toya Pigford, Crystal Dailey, Lyba Dawson, Colleen Brown, Udean Mars, Dena Lynch, Shirley Coke, Kassandra Pantoja, Nydia Gonzalez, Althea Johnson and Tamikia Savorwell. The students enjoyed themselves, and learned about early morning "live" T.V. V-E-R-Y early morning T.V. They were on the set at 6:45!!

DANGER!

The George Washington? Right? No! The Manhattan!? No?! Must be the Verrazanno? Yes! Er, Wrong! From our very own school this side of the Brooklyn Bridge it's the physics class gone wild! Students in Mr. Howard Schott's physics classes are making bridges out of toothpicks! Don't underestimate these works of art. They are tested for stress, weight, endurance and durability — just ask Bonnie Blair, pictured below.

This year's winning design was constructed by Richard Amalfitano. His bridge survived a rigorous week's testing in the physics lab. The award winning bridge, weighing only 59 grams, supported 16,500 grams of water. Congratulations!

The memory and work of Dr. Martin Luther King Jr., was celebrated at Bergtraum with the help of Judge Bruce H. Wright, and the Fish and Loaves Theatre Company. With moving words, Judge Wright renewed in us the spirit and cause of Dr. King's struggle. The Fish and Loaves company, through their acting, presented to us the wisdom of the past, and instilled in us an enthusiasm for the future.

The Jungle Bros. was formed 2 years ago by Bergtraum Senior, Nathaniel Hall and 1987 graduate Michael Small. Nathaniel, "Afrika Baby Bambaataa" and Michael, "Mike G", both produce and arrange, as well as sing vocals. They are joined by disk jockey, Sammy Bourwell, "Sammy B".

"Our purpose", Nathaniel said, "is to make enjoyable music and at the same time teach about life. We're using music as a tool to bring about peace and unity.

We want people to understand, be happy. We want to show people that just because you're into one thing that doesn't mean you can't be into another.

Just because we're into R & B or Rap music doesn't mean we can't do club music or soft rock. Just because you're black or hispanic or white doesn't mean you have to be around people of your kind all the time." The philosophy of the Jungle Bros. is to "be universal, be worldly, be unified."

Quest, formed by Bergtraum Seniors Ali Jones "Ali Shaheed Muhammed" and John Davis, "Q-tip" will soon be produced by the Jungle Bros. Montage wishes them the very best.

Nathaniel P. Hall

A MESSAGE FROM JUNGLE BROS. Mike G., Afrika, and Sammy B.

Judged by both my race and color
Don't you know we need each other
I need you and you need me
And if not now you soon will see
My complexion has no meaning
If you think so you're still dreaming
Wake up, wake up, wake up
There's no time for us to break up

A person is a person not blue or purple
Living in the jungle is like a circle
Round and round we all will go
Where we'll end up I don't know
Listen to me if you will
Your fantasies will get you killed
Reality is what is real
The truth, the whole truth, and nothing but the truth.

PEACE THROUGH UNDERSTANDING

It is not enough to say, "We must not wage war." It is necessary to love peace and sacrifice for it. We must concentrate not merely on the eradication of war but on the affirmation of peace.

So we must see that peace represents a sweeter music, a cosmic melody that is far superior to the discords of war. Somehow we must transform the dynamics of the world power struggle from the nuclear arms race, which no one can win, to a creative contest to harness man's genius for the purpose of making peace and prosperity a reality for all the nations of the world. In short, we must shift the arms race into a "peace race." If we have the will and determination to mount such a peace offensive, we will unlock hitherto tightly sealed doors of hope and bring new light into the dark chambers of pessimism.

— Dr. Martin Luther King, Jr.

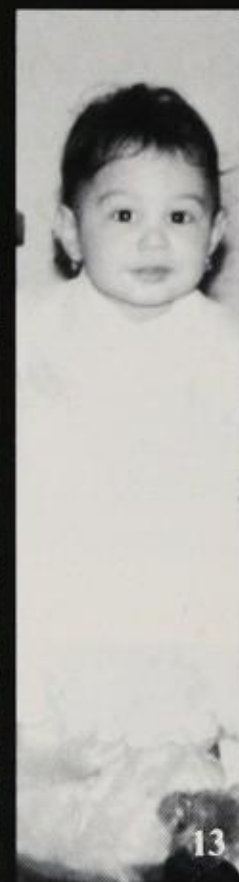

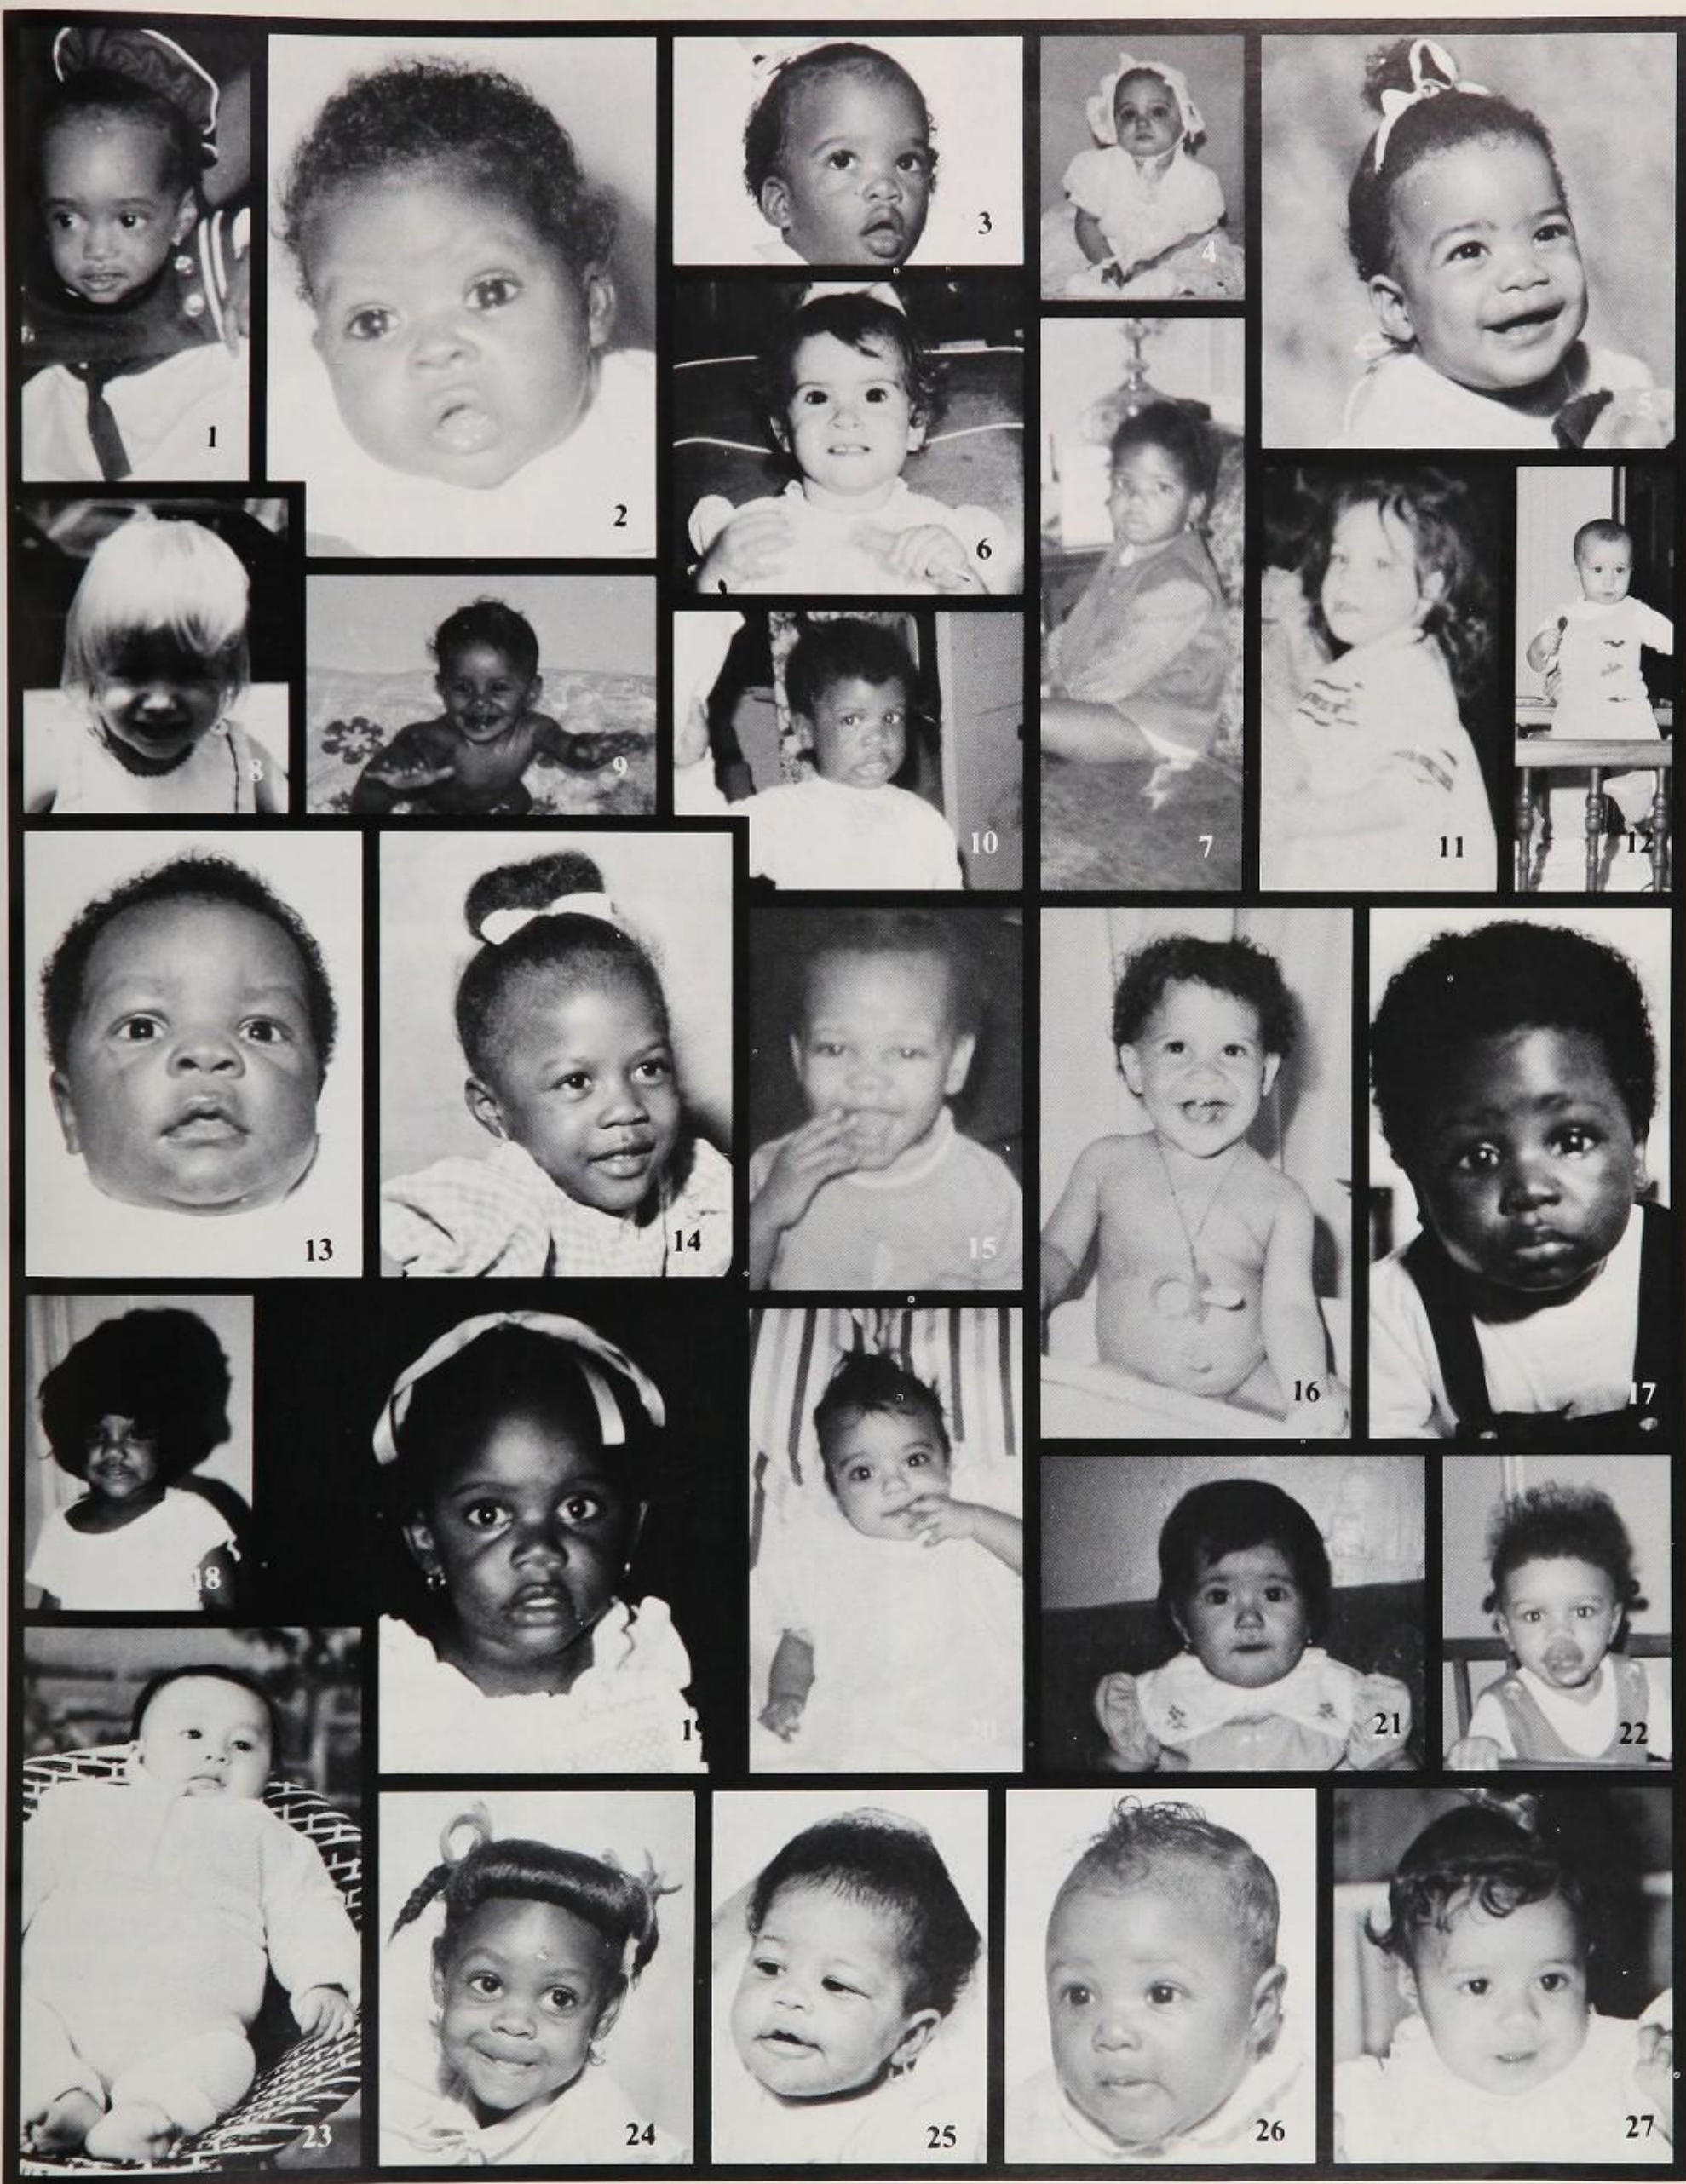

"We are trying to understand each other better." With this purpose, our discussion with Boris Karloff and Alex Rudakos, two representatives from the Soviet Union began. Their visit was arranged through the U.N. and Mr. John Elfrank of the Social Studies Department.

They visited our school to meet American teenagers and to erase some of our misconceptions about their country.

They showed us that there is "not a wall between Russians and Americans." Instead, Mr. Karloff felt that "Americans and Russians are very much alike." Msrs. Karloff and Rudakos displayed politeness, knowledge, and also a sense of humor.

Through our discussion we found out about the many things that our two nations have in common. They enlightened us about the way of life in the Soviet Union and said they "did not feel the difference between us." More such visits should be arranged in this new era of Glasnost and Cooperation.

NEVER FORGET . . .

ALWAYS REMEMBER

Something I will never forget about Bergtraum is the way this school prepared me for things in the real world.

Charles Nichols

Something I will never forget about Murry Bergtraum is the elevators: OFF is ON and ON is OFF.

Colleen Brown

Something I will never forget about Bergtraum was how it made me realize who I was and gave me a goal to strive for.

Joel Alvarado

Something I will never forget about Bergtraum is the bell system we had. Unbelievable.

Frances Rivera

Something I will never forget here at Bergtraum was the climbing of the stairs from basement to gym class on the 5th floor.

Hon San Wu

One of the things I will remember about Bergtraum was learning about others, the good in them and the bad in them.

Blanca Chalen

Something I will never forget about Bergtraum is a person. Her name was Ms. Brown, one of the security guards here in 1986. May her soul continue to rest in peace.

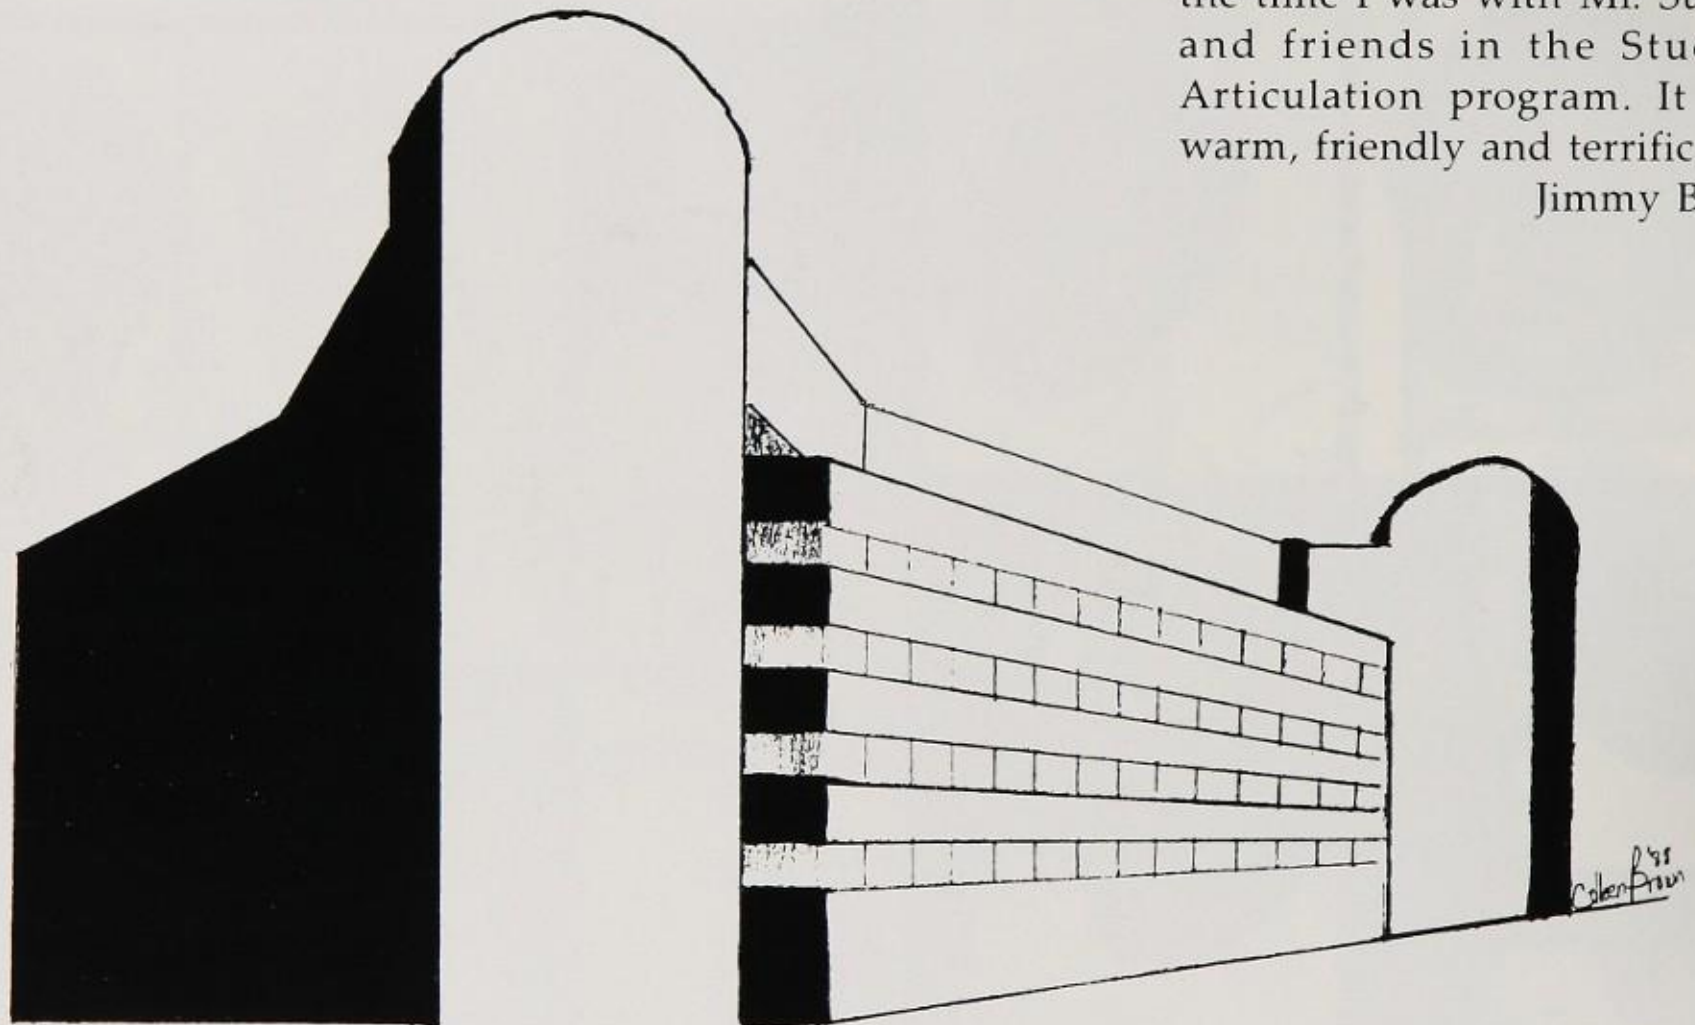

Crystal Thompson

I'll never forget my first day here at Bergtraum. It seemed as though nothing went right. Now Bergtraum is like my second home.

Nyesha Davis

The thing I will always remember about Bergtraum was the time I was with Mr. Sucher and friends in the Student Articulation program. It was warm, friendly and terrific.

Jimmy Barcia

The thing I will always remember about Bergtraum was the computers and typewriters. They always broke down when a job or project was due.

Liza Marie Ramos

I would never forget Mrs. Shore, my English teacher. She helped me a great deal in Bergtraum through my hardship.

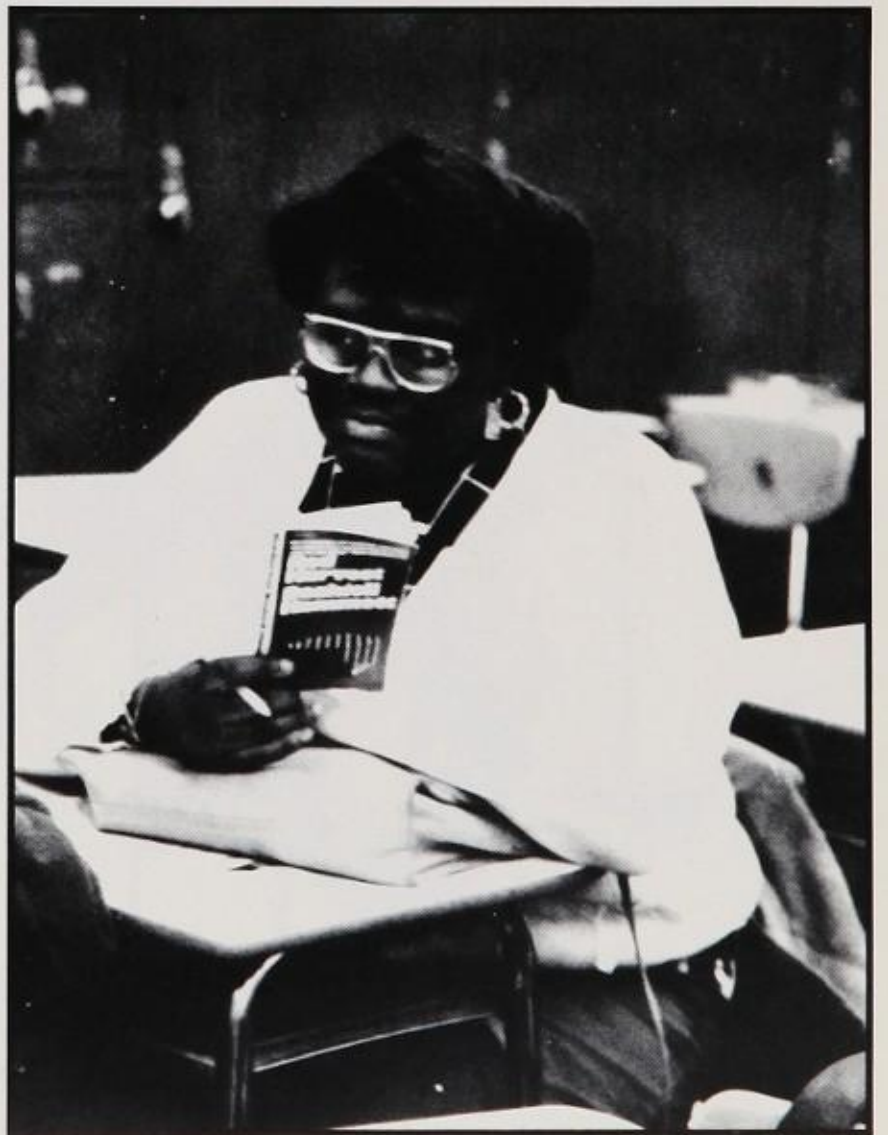

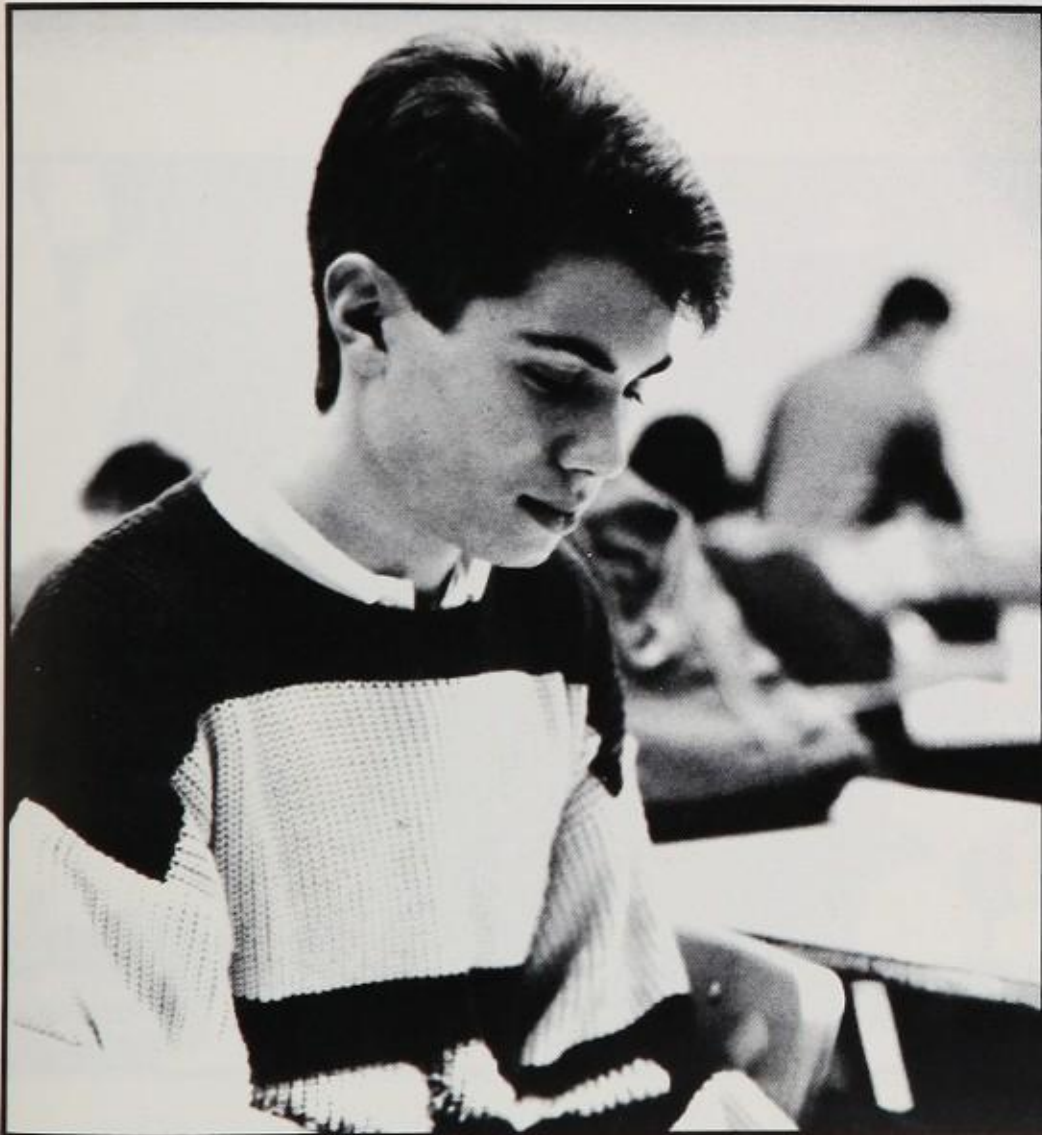

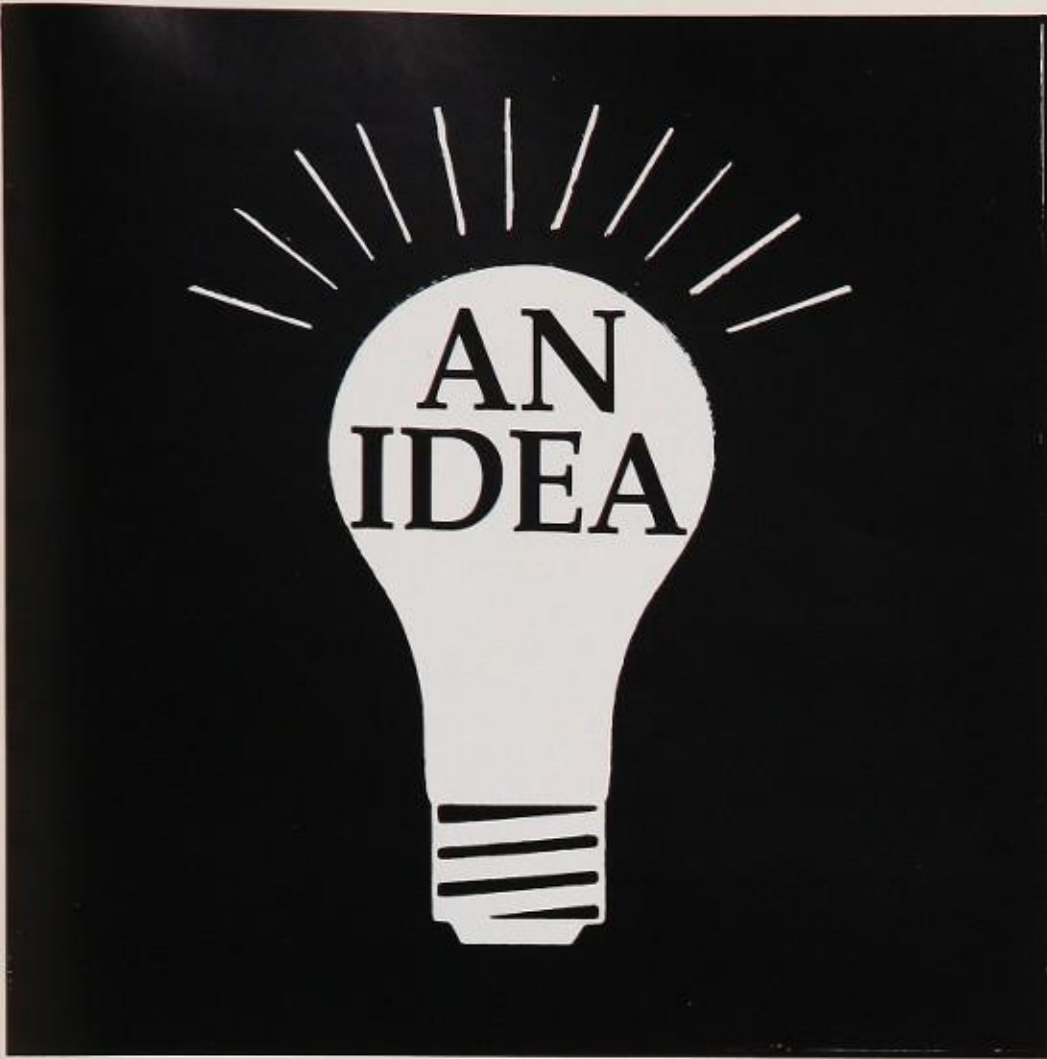

Kalung Chan

Something I will never forget about Bergtraum is its triangular shape.

One thing about Bergtraum that I will never forget is the Senior Class Trip to Pinegrove Dude Ranch. All of us had a great time.

VARIED INTERNSHIP PROGRAMS

The Murry Bergtraum High School for Business Careers continues to develop and to maintain effective linkages with the private and government sectors. Each year several hundred Bergtraum students go forth into the World of Work to demonstrate and to refine in a "real" setting the skills and competencies they have acquired at school. This also provides the interns with a first-hand look at what their career goals may be. These partnerships with the business sector successfully bridge the gap between the theoretical training at school and the demands of the increasingly complex World of Work. In this way our curricula become more relevant and responsive to current job skills requirements.

Our very first partnership with the private sector was effected by the first Chairman of Bergtraum's Business Advisory Council, Arthur Humphrey, Jr. a Chase Manhattan Bank Vice President. Today, the Chase Manhattan component currently has a minimum of fifty juniors and seniors who are assigned as student interns throughout Chase's corporate structure. Periodic seminars conducted by Chase Human Resource personnel and Lester Zimmerman, Administrative Assistant Principal and the school's liaison with the private and government sectors provide the interns with an opportunity to render oral progress reports, share information about their assignments with the other interns, and to receive interim evaluation from their supervisors. Seminars are always held at a Chase location.

Joining the ranks of our V.I.P. sponsors are:

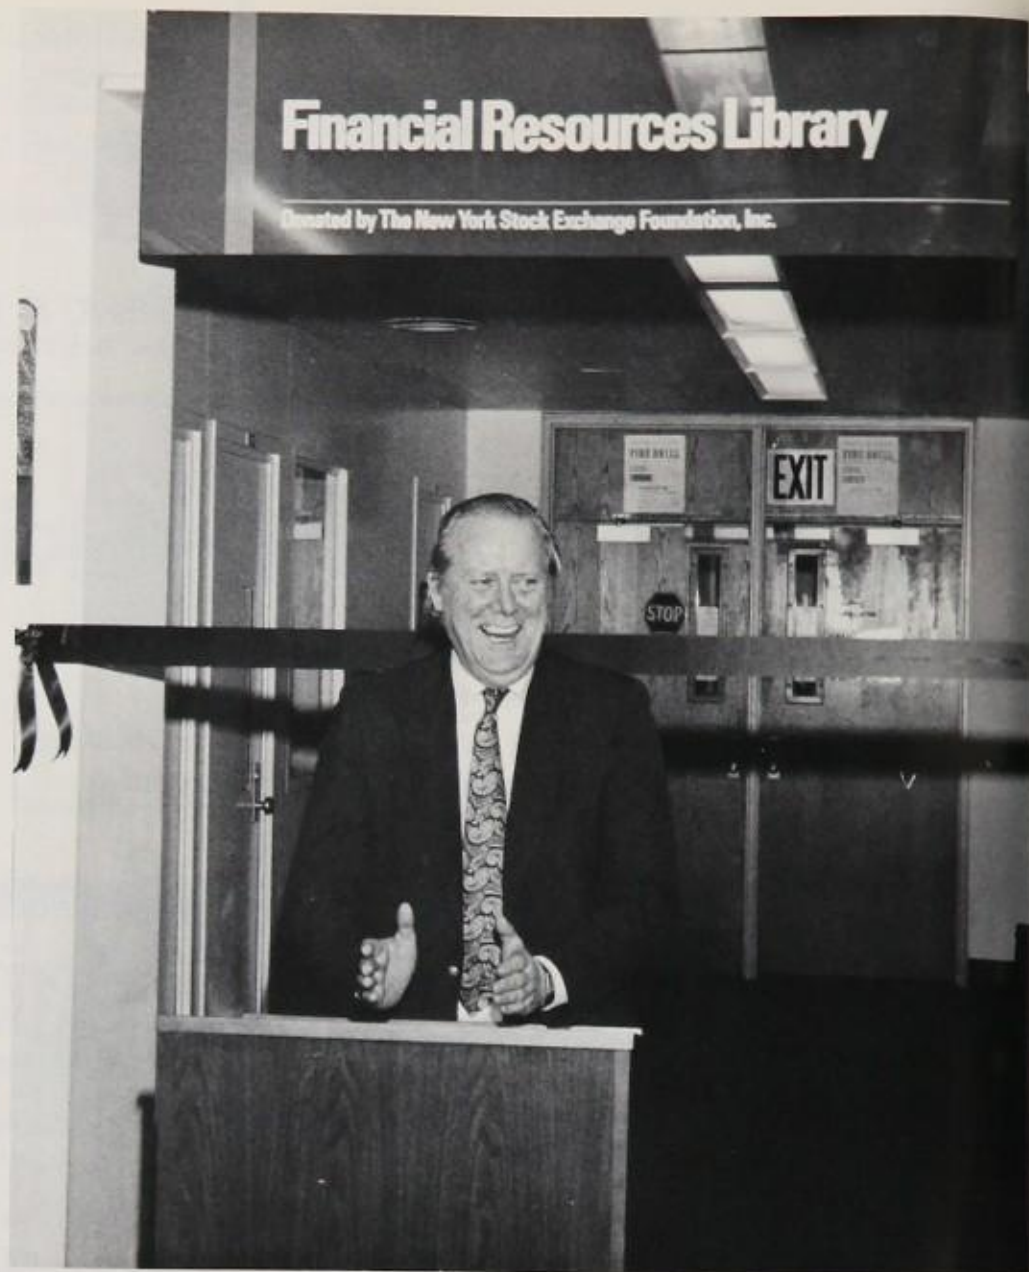

Marine Midland Bank

Financial Women's Association of New York
New York Stock Exchange

U.S. Department of Health & Human Services
(and others)

Much of the success of our program can be attributed to our Business Advisory Council which continues to provide opportunities for our students and support for our programs.

For information about the V.I.P. Programs contact Barbara L. Christen, Principal, 411 Pearl Street, New York, N.Y. 10038, (212) 964-9610

MONTAGE 1988

Being the faculty advisor of the Montage is a learning experience I am glad to have. It gives me a chance to know the graduating class of Bergtraum and to try to represent, in the pages of this book, the feelings and experiences of every senior and of the class as a whole. I hope the 1988 Montage has succeeded in this purpose.

To the entire staff and faculty of Bergtraum, for your input into this book, for your patience and understanding with all our requests, memos, cancellations, retakes, rewrites, late passes, and mistakes, we say thank you. It was all for the students.

Montage wishes to take this opportunity to thank Assistant Principal Mr. Lester Zimmerman for all he has done in support of the yearbook. We wish you, Mr. Zimmerman, all the best on your retirement and hope that the Montage will provide you with many good memories of your years at our school.

I want to express my gratitude to the Montage staff for its dedication to making this book the best it could be, for the long hours of hard work, and for the good nature each of you maintained under pressure! I thank each of you. It has been a pleasure getting to know you. Because of you, I love my work more than ever. I hope that in the years to come, your work on this book will be a valuable asset to you, and one that you are proud of.

The Montage staff congratulates the 1988 Graduating Class. We hope this book will enable you to look back with pleasure and gratitude for the friends you have made and the education you have received in your years at Murry Bergtraum High School.

Sincerely,
Ms. Donita Ellison
Faculty Advisor

*Nancy
Good luck in the future!
I hope your years at Bergtraum have been valuable & fun!
Remember all you learned in ART class.
Ms. Donita Ellison*

The Yearbook represents not only the memories of our years at Murry Bergtraum, but our hopes and dreams for the future. Working with the yearbook has given me a rare insight into the school and its students. The Class of '88 is a group of intelligent, ambitious students, who have taken advantage of all that Bergtraum has to give. In turn, the school has embraced and encouraged our initiative.

Leaving anything familiar is always difficult, even more so if the last four years of your life have been dedicated to it. Yet leave Murry Bergtraum we must. It is not a time of sorrow, though. We have learned from our school and we are now moving out and on to better things. For many this may mean college, for others work. Yet wherever we go we will carry all that we have learned in Bergtraum, about ourselves and about people.

To the Class of 1988, may you find happiness and prosperity. Through determination and strength we of the senior class have made changes in the school and made a difference here. I expect that this will also be true for the future of our world.

THE GOLDEN CHAIN OF FRIENDSHIP

— Helen Steiner Rice

Friendship is a **Golden** chain
The links are friends so dear,
And like a rare and precious jewel
It's treasured more each year . . .
It's clasped together firmly
With a love that's deep and true,
And it's rich with happy memories
And fond recollections, too . . .
Time can't destroy its beauty
For as long as memory lives,
Years can't erase the pleasure
That the joy of friendship gives
For friendship is a precious gift
That can't be bought or sold,
But to have an understanding
Friendship is worth far more than gold . . .
And the **Golden Chain of Friendship**
Is a strong and blessed tie
Binding kindred hearts together
As the years go passing by.

The Horsemen

The School DAZE of '88

To my teammates,

During the time we've spent together, I've grown up and learned so much. You've shown me what good friends are really like. Thanks to those of you who helped me out when I needed someone. Please know that I am always here if you need me.

To "B",

I can't find the words to express my gratitude. Thanks for giving me a shoulder to cry on and for helping me keep my world together when it seemed to be falling apart. Thanks "B"!

With all my Love,
Susan

To my dearest Volleyball team,

I often wonder how and why time passes by so quickly . . . it seems like only yesterday that you came to me as young and somewhat impressionable young teenagers and now you are departing as mature young adults ready to conquer all that lies ahead.

So now how do I sit here and express my true feelings . . . I could write and write forever or I can just simply state "thank you". Over our last few years together we have been faced with many challenges. These challenges made us stronger individuals and somehow helped us stay together as a cohesive group. Our accomplishments made us believers in ourselves because we proved once again that success can always be accomplished through hard work and dedication . . . and so our overwhelming 3rd place finish in the city for a 2nd straight year, and our most treasured Manhattan "A" division championship will always be most special in our hearts . . .

And so my dearest Seniors, Jenny, Kat, Sue, Monica, Lashonda and Yau I leave you now with these fine memories of our days together and I thank you sincerely for the years of dedication and loyalty that you have given me. You have given the remainder of "our family" a fine example to follow and for this I will forever be grateful.

I will end — not by saying good-bye — simply farewell, until our lives once again cross paths . . .

With much love — I forever remain
a friend —
"B"

The volleyball team was more than a team, it was an experience! Yet it was the people on the team that made it so great. Better than teammates, they were friends, who didn't lose touch after the season was over.

To the oldies but goodies, Monica, Jenny, Lily and Susan, thank you for being there, and for teaching me about more than Volleyball. I don't know where or what I'd be without all of you.

To my coach, confidant, and friend, through all the problems and foolishness, you were there, never giving up, always caring. Thank you for that strength when I most needed it.

No goodbyes, only until tomorrow!

Love Kat

To the seniors on the volleyball team. This is not good-bye, this is just a new beginning in our relationship. When we leave Bergtraum we will start a new life for ourselves but, we will never forget each other or our memories together. To a very special person in my life. B. I first want to thank you for all you've done for me. I wouldn't have made it this far without you. I also want to thank you for believing in me when no one else did. You have given me so much. I wish there was some way to pay you back. There are so many things I want to say, but it would take up all of the pages in this book to say what I feel inside. The only thing to say now is that I care a lot about you and I hope our friendship continues to grow.

I especially want to thank the rest of the volleyball team, Mari, Colleen, Nydia, Max, and the gang.

Love always,
Monica
(Spacecadet)

Varsity,

It was a great season. In such a short time we've grown very close. This friendship means a lot to me. Let's remember the good time that we had together. "B" We came in **MANHATTAN CHAMPIONS** for you as well as ourselves. You've been a great coach, you deserve the best. Teri thanks for all that you've done, I love you. Here is a poem for you guys:

I have been blessed to have, a friendship like yours.

You have seen me at my worst and best.

You've held me when I was in despair and laughed with me when I was happy.

Our friendship has truly been blessed by God.

Because it is unconditional, I love you and will always.

I treasure the word "FRIEND" because of you.

With Love Always,
Jen

Thanks for being there for me throughout my hard times.

Here I go out to sea again
The sunshine fills my hair
And dreams hang in the air
Gulls in the sky and in my blue eye
You know it feels unfair
There's magic everywhere
Look at me standing
Here on my own again
Up straight in the sunshine

To All My Scandalous Friends:

Friendship is a golden chain
That links are friends so dear
And like a rare and precious jewel,
It's treasure more each year . . .
Times can't destroy its beauty,
For as long as memory lives,
Years can't erase the pleasure
That the joy of friendship gives . . .
The Golden Chain of Friendship
Is a strong & blessed tie
Binding kindred hearts together
As the years go passing by.
